New Zealand Aid Programme Awards for Postgraduate Field Research

Application Checklist

Submit your application to the Scholarships Office of the University at which you are enrolled.

You must complete the application form and include all documents listed below and requested in the Award Regulations. Incomplete applications will not be considered.

Check that the application form is complete and the necessary documents are attached:

-
- Application Form pages 1 to 6.
- Certified copy of your tertiary academic record.
- Evidence of NZ citizenship or permanent residency (Photocopies of passport and permanent residence/visa if relevant).
- Supporting letter from your primary academic supervisor.
- Written evidence that the field research proposal for which this award is sought has gained Ethics approval from your university. *
- Written evidence that the field research proposal for which this award is sought has been accepted by an appropriate authority in the country/countries where the research is to be conducted. *
- The research proposal - a maximum of 3 pages, excluding references. **
- Your budget for the research and the support being sought in this award application.
- A statement, maximum 1 page **, addressing the selection criteria: contribution to development knowledge, contribution to development policy and practice, capacity to carry out the research. (see the Award Regulations).
- Your curriculum vitae - a maximum of 3 pages. **
- The Privacy Declaration.

* If approval/acceptance has not already been obtained you may still apply for an award. Should your application be successful you will need to provide evidence of approval/acceptance before any funds can be released.

** Pages beyond the maximum will be discarded.

Application

Declaration by the Applicant

I confirm that I will:

- repay the award in full if for any reason the field research is not completed.
- repay any funding received but not utilised in the course of the approved field research.
- notify Universities NZ if other sources of funding are secured, clearly indicating what the additional funding covers and ensuring that there is no duplication of funding for any costs or expenses.
- avoid any course of action or conduct which would reflect adversely on New Zealand and deal considerately with all those with whom I come into contact.

I have read and understood the Regulations for the New Zealand Aid Programme Postgraduate Field Research Awards and I agree to abide by them.
