# **NEW ZEALAND VICE-CHANCELLORS' COMMITTEE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018**

## **BACKGROUND**

### **Establishment of the Committee**

The Committee is a statutory body established under section 240 of the Education Act 1989 (the same body established under the Universities Act 1961). The Vice-Chancellors of the eight universities make up the membership of the Committee. They are assisted in the administration of the Committee's affairs by a range of committees and working groups and a secretariat based in Wellington. The New Zealand Vice-Chancellors' Committee (NZVCC) adopted the name Universities New Zealand – Te Pōkai Tara in August 2010.

### **Sources of Funds**

Grants of \$2,584,000 from the universities were the main source of funding received by the Committee. \$2,184,000 was for the Committee and \$400,000 for the Academic Quality Agency for New Zealand Universities (AQA).

Interest revenue and scholarship administration fees supplement this revenue.

### **Further Information about Universities New Zealand – Te Pōkai Tara (Universities NZ)**

The Universities NZ website, [www.universitiesnz.ac.nz](http://www.universitiesnz.ac.nz) provides a wide range of information and publications.

The Universities NZ offices are located at Level 9, 142 Lambton Quay, Wellington.

### **Further information about the Academic Quality Agency for New Zealand Universities**

The Academic Quality Agency for New Zealand Universities was established by the New Zealand Vice-Chancellors' Committee. It is funded by the universities and its Board is appointed by the NZVCC. However its operations, including academic audits, are independent of the NZVCC and of the individual universities. The accounts of the AQA have been included in the consolidated accounts of the NZVCC. This in no way compromises the operational independence of the AQA in carrying out its activities.

The office of the AQA is located at Level 9, 142 Lambton Quay, Wellington.

Further information about the AQA can be found at [www.aqa.ac.nz](http://www.aqa.ac.nz).

**NEW ZEALAND VICE-CHANCELLORS' COMMITTEE  
FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2018**

**STATEMENT OF RESPONSIBILITY**

We acknowledge that:

- (a) The preparation of financial statements of the New Zealand Vice-Chancellors' Committee and judgements used herein are our responsibility.
  
- (b) The establishment and maintenance of an internal control system designed to give reasonable assurance as to the integrity and reliability of the financial and non-financial reports for the year ended 30 June 2018 are our responsibility; and

In our opinion the financial statements for the year under review fairly reflect the financial position and operations of the New Zealand Vice-Chancellors' Committee.

Professor Stuart McCutcheon  
Chair  
New Zealand Vice-Chancellors' Committee

Mr Derek McCormack

**INDEPENDENT AUDITOR'S REPORT****TO THE READERS OF NEW ZEALAND VICE CHANCELLORS' COMMITTEE AND GROUP'S  
FINANCIAL STATEMENTS AND STATEMENT OF PERFORMANCE  
FOR THE YEAR ENDED 30 JUNE 2018**

The Auditor-General is the auditor New Zealand Vice Chancellors' Committee (the "Committee") and group. The Auditor-General has appointed me, Henry McClintock, using the staff and resources of BDO Wellington, to carry out the audit of the financial statements and statement of performance of the Committee and group on his behalf.

**Opinion**

We have audited:

- the financial statements of the Committee and group on pages 27 to 49, that comprise the statement of financial position as at 30 June 2018, the statement of comprehensive revenue and expense, statement of changes in equity and statement of cash flows for the year ended on that date and the notes to the financial statements that include accounting policies and other explanatory information; and
- the statement of performance of the Committee and group on pages 15 to 26.

In our opinion:

- the financial statements of the Committee and group on pages 27 to 49:
  - present fairly, in all material respects:
    - the financial position as at 30 June 2018; and
    - the financial performance and cash flows for the year then ended; and
  - comply with generally accepted accounting practice in New Zealand in accordance with Public Benefit Entity Standards Reduced Disclosure Regime ("PBE Standards RDR"); and
- the statement of performance of the Committee and group on pages 15 to 26 presents fairly, in all material respects, the Committee and group's performance achievements measured against the proposed outcomes described in the investment plan for the year ended 30 June 2018.

Our audit was completed on 11 October 2018. This is the date at which our opinion is expressed.

The basis for our opinion is explained below. In addition, we outline the responsibilities of the Council and our responsibilities relating to the financial statements and the statement of performance, we comment on other information, and we explain our independence.

**Basis for our opinion**

We carried out our audit in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board. Our responsibilities under those standards are further described in the Responsibilities of the auditor section of our report.

We have fulfilled our responsibilities in accordance with the Auditor-General's Auditing Standards.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Responsibilities of the Council for the financial statements and the statement of performance**

The Council is responsible on behalf of the Committee and group for preparing financial statements that are fairly presented and that comply with generally accepted accounting practice in New Zealand.

The Council is also responsible on behalf of the Committee and group for preparing a statement of performance that is fairly presented.

The Council is responsible for such internal control as it determines is necessary to enable it to prepare financial statements and a statement of performance that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements and the statement of performance, the Council is responsible on behalf of the Committee and group for assessing the Committee and group's ability to continue as a going concern. The Council is also responsible for disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the Council intends to liquidate the Committee and group or to cease operations, or has no realistic alternative but to do so.

The Council's responsibilities arise from the Crown Entities Act 2004 and the Education Act 1989.

### **Responsibilities of the auditor for the audit of the financial statements and the statement of performance**

Our objectives are to obtain reasonable assurance about whether the financial statements and the statement of performance, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit carried out in accordance with the Auditor-General's Auditing Standards will always detect a material misstatement when it exists. Misstatements are differences or omissions of amounts or disclosures, and can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of readers taken on the basis of these financial statements and statement of performance.

For the budget information reported in the financial statements and the statement of performance, our procedures were limited to checking that the information agreed to the Committee and group's statement of objectives.

We did not evaluate the security and controls over the electronic publication of the financial statements and the statement of performance.

As part of an audit in accordance with the Auditor-General's Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Also:

- We identify and assess the risks of material misstatement of the financial statements and the statement of performance, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Committee and group's internal control.
- We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Council.
- We conclude on the appropriateness of the use of the going concern basis of accounting by the Council and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

conditions that may cast significant doubt on the Committee and group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements and the statement of performance or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Committee and group to cease to continue as a going concern.

- We evaluate the overall presentation, structure and content of the financial statements and the statement of performance, including the disclosures, and whether the financial statements and the statement of performance represent the underlying transactions and events in a manner that achieves fair presentation.
- We obtain sufficient appropriate audit evidence regarding the financial statements and the statement of performance of the entities or business activities within the group to express an opinion on the consolidated financial statements and the consolidated statement of performance. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Council regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our responsibilities arise from the Public Audit Act 2001.

#### Other information

The Council is responsible for the other information. The other information comprises the information included on pages 5 and 13, but does not include the financial statements and the statement of performance, and our auditor's report thereon.

Our opinion on the financial statements and the statement of performance does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the financial statements and the statement of performance, our responsibility is to read the other information. In doing so, we consider whether the other information is materially inconsistent with the financial statements and the statement of performance or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on our work, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Independence

We are independent of the Committee and group in accordance with the independence requirements of the Auditor-General's Auditing Standards, which incorporate the independence requirements of Professional and Ethical Standard 1 (Revised): *Code of Ethics for Assurance Practitioners* issued by the New Zealand Auditing and Assurance Standards Board.

Other than the audit, we have no relationship with or interests in the Committee or any of its subsidiaries.

Henry McClintock  
BDO Wellington  
On behalf of the Auditor-General  
Wellington, New Zealand

## NEW ZEALAND VICE-CHANCELLORS' COMMITTEE STATEMENT OF PERFORMANCE FOR THE YEAR ENDED 30 JUNE 2018

### Output 1 – Academic Quality Assurance

#### **Outcomes**

This output contributes to the achievement of Outcomes 1 and 3 - enhanced quality assurance in the New Zealand university system and policies and activities that strengthen the universities' contribution to economic growth and social well-being.

The Academic Quality Agency for New Zealand Universities also contributes to Outcome 1 and their Statement of Performance is provided separately.

#### **Service Provided**

To exercise approval and moderation procedures for new academic programmes in universities, develop and support processes for monitoring quality assurance and provide advice on matters of academic policy.

#### **Quality and Timeliness**

The quality and timeliness of the work of the Committee on University Academic Programmes (CUAP) are ensured by CUAP's carrying out its functions and procedures in accordance with the criteria and timetable set out in its handbook and by periodic independent audits of its procedures.

#### **(a) Objective**

To complete the two annual rounds of approvals for new university academic programmes.

#### **Achievements**

*CUAP approved 62 new qualifications in 2017 to be offered in 2018.*

#### **(b) Objective**

To develop and improve quality assurance arrangements in New Zealand universities.

#### **Achievements**

- *CUAP developed and published an updated edition of its Handbook outlining the Committee's policies and procedures for quality assurance in the university sector. The updated version of the Handbook was made publicly available on the Universities NZ website.*
- *Following the review of the academic audit of CUAP, changes were implemented to refine and enhance CUAP processes, particularly around approvals and appeals.*
- *CUAP further developed its online Proposal Management System to include the ability for universities to electronically sign-off on proposals.*
- *CUAP continued to monitor the development of 180-credit master's qualifications.*
- *Universities NZ facilitated a workshop for universities academic office staff to discuss institutional policies and processes, and to share good practice. The focus of the 2017 workshop was institutional peer-review of CUAP proposals.*

#### **(c) Objective**

To work effectively with the New Zealand Qualifications Authority (NZQA) to fulfil statutory responsibilities and promote quality assurance.

#### **Achievements**

**ACADEMIC QUALITY AGENCY FOR NEW ZEALAND UNIVERSITIES  
Te Pokapū Kōunga Mātauranga mō ngā Whare Wānanga o Aotearoa**

**STATEMENT OF PERFORMANCE  
FOR THE YEAR ENDED 30 JUNE 2018**

**Objective 1: Quality Assurance**

**To ensure academic audits are timely and produce audit reports which are of assistance to universities, are authoritative, fair and perceptive.<sup>1</sup>**

*Description:* AQA undertakes regular academic audits of all New Zealand universities using a framework developed by AQA in consultation with the sector and other stakeholders. Academic audits are conducted to a schedule approved by the Board and with the agreement of the universities. From time to time, AQA may be contracted to undertake other forms of audit or review including academic audits of international universities. The quality and timeliness of the work of AQA are overseen by a Board, comprised of a Vice-Chancellor and academic, student and lay members who are appointed by the NZVCC but operate independently of them and of the universities.

In 2017/18 AQA and the New Zealand universities are transitioning from Cycle 5 academic audit to Cycle 6. Cycle 6 introduces an enhancement theme component and a mid-cycle report as part of academic audit activities. It will also include students, or recent graduates, as members of audit panels and publish follow-up reports.

## Objective 2: Quality Enhancement - Universities

**To contribute to the development, dissemination and implementation of new policies and good practices in quality assurance and quality enhancement in education, both nationally and internationally.**

*Description:* AQA's mission includes assisting universities to facilitate excellent student experience and learning outcomes. AQA undertakes this quality enhancement role in a variety of ways, including by identifying and commending national and international good practice in regard to academic quality assurance and quality enhancement, and by facilitating dialogue between university staff on quality matters.

In 2017/18 New Zealand universities commenced an 'enhancement theme' as part of Cycle 6 academic audit. The enhancement theme is led by and undertaken by the universities and supported by AQA.

### **Objective 3: Quality Enhancement - AQA**

**To improve the quality of AQA activities, including audit practice, by interaction with other education and academic quality assurance agencies, both nationally and internationally.**

*Description:* AQA's work is benchmarked internationally: the agency is independently audited every five years (last audited in June 2015) and has been assessed as meeting the Guidelines of Good Practice in Quality Assurance of the International Network for Quality Assurance Agencies in Higher Education (confirmed 2013, valid until 2017). Interaction and engagement with national and international peer agencies is an important component of AQA's continued commitment to its own development and to the professional development of its staff and activities.

Implementation in line with AQA report to Vice-Chancellors (attached)  Review of Constitution completed and approved by Vice-Chancellors  1 Paper on international best practice in academic audit presented to the AQA Board

**Objective 4: Quality Support**

**To ensure effective processes and adequate resourcing to achieve the above objectives at a high level of satisfaction for universities and other stakeholders.**

*Description:* AQA's annual operating grant is funded by the universities collectively. The Board of AQA prepares and recommends a budget to the committee of New Zealand Vice-Chancellors prior to the commencement of each financial year. In doing so, the Board seeks to ensure that the annual grant provides for an adequate level of resources to enable the organisation to achieve its stated objectives for that year, and that the organisation's net asset levels and cash flow are sufficient to sustain its continued operation.

**NEW ZEALAND VICE-CHANCELLORS' COMMITTEE  
FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2018**

**NOTES TO THE FINANCIAL STATEMENTS**

**1 Reporting Entity**

The reporting entity is NZVCC (the "Parent") a public benefit entity and was established under the Education Act 1989. NZVCC is required to prepare financial statements in accordance with Section 153-156 of the Crown Entities Act 2004.

The consolidated financial statement for the year ended 30 June 2018 comprise of NZVCC and AQA together referred to as the 'Group'.

**2 Basis of Preparation**

**(a) Statement of Compliance**

The financial statements of NZVCC and the Group have been prepared in accordance with New Zealand Generally Accepted Accounting Practice (NZ GAAP). They comply with Public Benefit Entity International Public Sector Accounting Standards (PBE IPSAS) and other applicable Financial Reporting Standards as appropriate for Tier 2 Public Sector Public Benefit Entity (PBE) Standards, for which all reduced disclosure regime exemptions have been adopted.

The NZVCC and the Group has elected to report in accordance with Tier 2 Public Sector PBE Standards as for the two most recent reporting periods it has had between \$2m and \$30m operating expenditure.

These financial statements were authorised for issue by Professor Stuart McCutcheon, Chair of NZVCC on 11 October 2018.

**(b) Measurement basis**

The consolidated financial statements have been prepared on the historical cost basis except as indicated below:

- Financial instruments
- Long-term employee benefits

**(c) Functional and presentation currency**

These financial statements are presented in New Zealand dollars and all values are rounded to the nearest dollar.

There has been no change in the functional currency of the Group or any significant foreign operations of the Group during the year.

**3 Use of Judgements and estimates**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

**(a) Judgements**

Judgements made in applying accounting policies that have had the most significant effects on the amounts recognised in the NZVCC and Group financial statements include the following:

- Revenue recognition non-exchange revenue
- Intangible assets having indefinite useful lives

**(b) Assumptions and estimation uncertainties**

Assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending 30 June 2018 include the following:

- Key assumptions underlying determining the recoverable amounts for impairment testing
- Useful life, recoverable amount, depreciation method and rate
- Likelihood and magnitude of outflows in determining recognition and measurement of provisions.

**(c) Changes in accounting estimates**

There have been no changes in accounting estimates during the period.

## 4 Significant Accounting Policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements and have been applied consistently by the Group, except as explained in note 5 which addresses changes in accounting policies.

### (a) Basis of consolidation

The Group financial statements consolidate the financial statements of the NZVCC and all entities over which the NZVCC has the power to govern the financial and operating policies so as to obtain benefits from their activities (defined as "subsidiaries"). The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases.

All subsidiaries have a 30 June reporting date and consistent accounting policies are applied.

The purchase method is used to prepare the consolidated financial statements, which involves adding together like terms of assets, liabilities, revenue and expenses on a line-by-line basis. All transactions and balances between the Group are eliminated on consolidation, including unrealised gains and losses on transactions between NZVCC and AQA. Where unrealised losses on intra-group asset sales are reversed on consolidation, the underlying asset is also tested for impairment from the Groups perspective. Amounts reported in the financial statements of subsidiaries have been adjusted where necessary to ensure consistency with the accounting policies adopted by the Group.

In the NZVCC financial statements investments in subsidiaries are stated at cost less any impairment losses.

#### Loss of control of a controlled entity

A change in the ownership interest of a subsidiary that does not result in a loss of control, is accounted for as an equity transaction.

### (b) Foreign currency

Transactions in foreign currencies are recorded at the New Zealand rate of exchange ruling at the date of transaction. At balance date foreign monetary assets and liabilities are translated at appropriate closing exchange rates, and gains or losses due to currency fluctuations on these items are included in the Financial Statements.

### (c) Revenue

#### Revenue from exchange transactions

Revenue from exchange transactions are those where the Group receives assets or services, or has liabilities extinguished, and directly gives approximately equal value to another entity.

Revenue from exchange transactions are recognised when the amount of revenue is earned and is reported in the financial period to which it relates.

#### Grant Revenue

Grant revenue is received from the eight universities on a six monthly basis, and applied on a straight-line basis over the financial year in which it relates.

#### Rendering of services

Revenue from services rendered is recognised in surplus or deficit in proportion to the stage-of-completion of the transaction at the reporting date.

#### Revenue from non-exchange transactions

Non-exchange transactions are those where the Group receives an inflow of resources but provides no (or nominal) direct consideration in return.

#### Scholarships Revenue

Scholarship emolument commitments are recognised as available when the Committee has received funding for the obligation. Scholarship emolument commitments are recognised when invoices are paid from the universities or scholarship entitlement is confirmed by the Scholarships Manager. Universities receive payments from NZVCC to reimburse them for scholarship emoluments paid to scholars, who receive a scholarship, which the university has paid to the scholar.

NZVCC Scholarship Funds Management Guidelines were introduced in October 2011 to manage scholarship cash flow requirements during the selection process. Both the funding received and the scholarships paid are excluded from the Statement of Comprehensive Revenue and Expenditure.

### (d) Employee Benefits

#### Short-term employee benefits

Short-term employee benefit liabilities, wages and salaries, including non-monetary benefits and annual leave are recognised when the Group has a legal or constructive obligation to remunerate employees for services provided within 12 months of reporting date, and are measured at the amounts expected to be paid when the liabilities are settled on an undiscounted basis.

#### Retirement Leave

NZVCC's obligation in respect of Retirement Leave is the amount of future benefits that employees have earned in return for their service in the current and prior periods. The obligation is calculated on an actuarial basis based on the probability of each entitled staff member remaining in service until retirement, length of service and current age and salary.

#### **Long Service Leave**

NZVCC's obligation in respect of long service leave is the amount of future benefits that employees have earned in return for their service in the current and prior periods. The obligation is calculated on an actuarial basis based on the probability of each staff member attaining a specific number of years of service. Current entitlements to long service leave are recognised at the amounts expected to be paid when liabilities are settled on an undiscounted basis.

#### **Long-term employee benefits**

Long-term employee benefit obligations are recognised when the Group have a legal or constructive obligation to reimburse employees for services provided beyond 12 months of reporting date.

#### **Defined Contribution Plans**

Obligations for contributions to defined contribution pension plans (including KiwiSaver) are recognised as an expense in surplus or deficit when they are due.

#### **Termination Benefits**

Termination benefits are recognised as an expense when the Group is committed demonstrably, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognised as an expense if the Group has made an offer of voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably. If benefits are payable more than 12 months after the reporting date, then they are discounted to their present value.

#### **(e) Finance income**

Interest revenue is recognised using the effective interest method as it accrues.

#### **(f) Financial instruments**

All assets and liabilities of NZVCC and the Group, with the exception of GST, Income in advance, Prepayments, Property, Plant & Equipment and intangible assets are financial instruments and are recognised in the Statement of Financial Position. No other financial instruments exist other than those recognised in the Statement of Financial Position. Revenues and expenses in relation to these financial instruments are recognised in the Statement of Comprehensive Revenue and Expenditure.

Financial instruments are measured in accordance with the accounting policies disclosed in relation to each type of asset and liability. Unless stated, the carrying amounts reflected in the financial statements equate to the estimated fair value of the Committee's assets and liabilities at 30 June 2018 for each financial instrument.

#### **Available-for-sale financial assets**

Available-for-sale financial assets are non-derivative financial assets that are designated as available-for-sale or are not classified in any of the above categories of financial assets.

Available-for-sale financial assets comprise of the JMIS Investment Portfolio.

Available-for-sale financial assets are subsequently measured at fair value with gains or losses recognised in other comprehensive revenue and expense. These gains and losses, along with revenue, are then allocated to the 4 related scholarships in proportion with their investment in the fund.

#### **Creditors and other payables**

Creditors and other payables are initially measured at fair value plus any directly attributable transaction costs and subsequently measured at amortised cost using the effective interest method

#### **Trade and Other Receivables**

Trade and Other Receivables are recognized initially at fair value plus any directly attributable transaction costs. Subsequently, trade and other receivables are measured at amortised cost using the effective interest method less any impairment losses.

#### **Cash and cash equivalents**

Cash includes cash on hand and funds on deposit with banks and is measured at its face value.

Deposits with a bank that have maturities of 90 days or more at acquisition are deemed to be investments.

#### **Investments**

Investments in shares classified as available-for-sale financial assets. Subsequent to initial recognition, they are measured at fair value and changes therein, other than impairment losses are recognised directly in other comprehensive revenue. When an investment is derecognised, the cumulative gain or loss previously recognised in other comprehensive revenue is transferred to surplus or deficit.

Investments held and administered on behalf of Scholarship Funds are measured and carried at market value and changes therein together with revenue from interest and dividends are recognized directly in the Scholarship Commitments liability.

**Premium (discount) on Investment**

Premium or discount on investment is amortised on a straight line basis over the remaining periods before the maturity date. This policy is not significantly different to applying the yield to maturity basis of revenue recognition.

**(g) Impairment of non-derivative financial assets**

NZVCC assesses at each reporting date whether there is objective evidence that a financial asset or a group of financial assets is impaired. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset. Individually significant financial assets are tested for impairment on an individual basis. The remaining financial assets are assessed collectively in groups that share similar characteristics. All impairment losses are recognised in surplus or deficit and reflected in an allowance account against receivables. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses directly reduce the carrying amount of assets and are recognised in surplus or deficit.

**(h) Property, plant and equipment**

**Recognition and measurement**

Property, plant and equipment are initially recognised at cost. Property, plant and equipment are recorded at cost less accumulated depreciation. Subsequent costs are added to the carrying amount of an item of property, plant and equipment when the cost is incurred if it is probable that the future economic benefits embodied with the item will flow to the entity and the cost of the item can be measured reliably. All other costs are recognised in surplus or deficit as an expense when incurred.

**Depreciation**

Depreciation is provided on all items of property, plant and equipment so as to write off their carrying value over their expected useful economic lives. It is provided at the following rates:

Computers and Printers	33.3%SL
Office equipment, furniture and fittings	20%SL

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

**(i) Intangible assets**

**Recognition and measurement**

IT Software Development has a finite useful life. It is recorded at cost less accumulated amortisation and accumulated impairment losses. Software is capitalised and amortised at 50% per annum on the diminishing value. Costs associated with developing or maintaining computer software programs are recognised as an expense as incurred. Costs that are directly associated with the production of identifiable and unique software products controlled by the entity, and that will probably generate economic benefits exceeding costs beyond one year, are recognised as intangible assets. Direct costs include the costs of software development employees and an appropriate portion or relevant overheads.

**(j) Impairment of non-financial assets**

Property, plant, equipment and Intangible Assets that have a finite useful life are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

If an asset's carrying amount exceeds its recoverable amount, the asset is impaired and the carrying amount is written down to the recoverable amount. The total impairment deficit is recognised in the surplus and deficit. The reversal of an impairment deficit is also recognised in the Statement of Comprehensive Revenue and Expense.

**(k) Leases**

Leases where the NZVCC and the Group assume substantially all the risks and rewards incidental to ownership of the leased assets, are classified as finance leases. All other leases are classified as operating leases.

Upon initial recognition finance leased assets are measured at an amount equal to the lower of its fair value and the present value of minimum leased payments and a matching liability is recognized for minimum lease payment obligations excluding the effective interest expense. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to the asset.

Payments made under operating leases are recognised in surplus or deficit on a straight-line basis over the term of the lease. Lease incentives are recognised as an integral part of the total lease expense, over the term of the lease. Associated costs, such as maintenance and insurance, are expensed as incurred.

**(l) Cost Accounting**

The Committee reviewed and adopted the following Cost Allocation policy on 1 July 2014. The income and expenditure has been allocated across the cost centres utilising the following three rules:

- (i) All directly attributable income or expenditure is to be allocated to the cost centre responsible.
- (ii) All income or expenditure that is able to be easily tracked is to be allocated to the cost centre responsible.
- (iii) Shared services or un-tracked income and expenditure are to be allocated using the standard allocation percentages calculated as follows:
  - a) The costs of support staff that work across all cost centres are split based on the % of all Full time equivalent staff (FTES) working in each cost centre as at 1 July each financial year.
  - b) The standard cost allocation percentage will be the above distribution of FTES working in each cost centre for support staff plus the FTES working in each cost centre as at 1 July each financial year.

**(m) Budget**

The budget figures for NZVCC and AQA are those approved by the NZVCC Committee at their June 2017 meeting.

The budget figures have been prepared in accordance with generally accepted accounting practice and are consistent with the accounting policies adopted by the Committee for the preparation of the financial statements.

**(n) Goods and Services Tax**

The financial statements are exclusive of GST except for Trade Payables and Trade Receivables which are GST inclusive.

**(o) Taxation**

The NZVCC and the Group is a statutory body and is registered with the Charities Commission under the Charities Act 2005 and consequently is exempt from income tax.

**(p) Statement of Cash Flows**

The statement of cash flows has been prepared using the direct approach method.

Cash includes cash on hand and deposits held at call with banks.

Operating activities includes cash received from all revenue sources of the NZVCC and the Group including annual grants, interest, accumulation of scholarship funds and administration fees.

Investing activities are those activities relating to the acquisition and disposal of non-current assets.

Financing activities comprise the change in equity and debt structure of the NZVCC and the Group.

**5 Changes in accounting policy**

The accounting policies applied in these financial statements are the same as those applied to NZVCC and the Group's financial statements as at the year ended 30 June 2017.

Interest earned on the investments held as non-interest bearing scholarships has been credited to the NZVCC in lieu of charging administration fees.

Interest totalling \$71,297 (2017, \$72,654) was earned on investments represented by interest-bearing scholarship funds. This interest has been apportioned to each respective Scholarship Fund by applying an average interest rate earned for each month to the closing balance of the Scholarship Fund for that month.

Revenue, expenditure and fair value change on investments in the JMIS Portfolio are allocated to the 4 related scholarships in proportion with their investment in the fund. (Gordon Watson 32.47%, Edward & Isobel Kidson 33%, Pukehou Pouto 13.6% and Shirtcliffe Fellowship 20.93%). Interest & Dividends earned totalled \$71,565 (2017, \$69,734) and \$78,365 (2017, \$32,934) represented the fair value change.

Administration fees are charged to all interest-bearing scholarship funds by the Committee for annual services rendered.

The Committee has assumed the obligation for paying out the above scholarships. The period of payment will depend on the timing of approval of the applications.

All scholarship commitments are non-current liabilities until all restrictions or stipulations of the scholarship award are met. See note 14 for current non-exchange payments from scholarship funds.

## **17 Income in Advance**

The Committee received funding for the Universities NZ Work Programme in the 2017/18 year that is ongoing as at 30 June 2018 and that the Committee has an obligation to continue in the 2018/19 year.

The liability held in income in advance is unspent income as at 30 June 2018 and will have matching expenditure in the 2018/19 year.

## **18 Specialised Funds**

### *CONZUL*

NZVCC administers the CONZUL funds on behalf of CONZUL. Funds are received from the eight universities to fund collaborative projects.

### *NZ Council of Deans of Education*

The NZ Council of Deans of Education received funds as a result of the winding up of the ACENZ and NZVCC has agreed to administer the funds on their behalf.

### *NZ Women in Leadership Programme*

NZVCC has undertaken to provide financial administration services on behalf of the NZ Women in Leadership programme.

### *NZWIL – POD Funds*

NZVCC has undertaken to provide financial administration services on behalf of the NZWiL-POD programme.

### *Tertiary ICT Conference Fund*

NZVCC has undertaken to provide financial administration services on behalf of the Tertiary ICT Conference Fund.

## 19 Separate Funds

### Fair Value Hierarchy Disclosures

For those instruments recognised at fair value in the statement of financial position, fair values are determined according to the following hierarchy:

Quoted market price (level 1) - Financial instruments with quoted prices for identical instruments in active markets.

Valuation technique using observable inputs (level 2) - Financial instruments with quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments in inactive markets and financial instruments valued using models where all significant inputs are observable.

Valuation techniques with significant non-observable inputs (level 3) - Financial instruments valued using models where one or more significant inputs are not observable.

The following table analyses the basis of the valuation of classes of financial instruments measured at fair value in the statement of financial position.

#### For NZVCC and the Group

	Total	Valuation technique		
		Quoted market Price	Observable inputs	Significant non-observable inputs
	\$	\$	\$	\$
<b>30 June 2017</b>				
<b>Financial Assets</b>				
JMIS Investment Portfolio	1,530,567	1,530,567	0	0
<b>30 June 2018</b>				
<b>Financial Assets</b>				
JMIS Investment Portfolio	1,615,910	1,615,910	0	0

There are no transfers between the different levels of the fair value hierarchy.

### Credit Risk

Financial instruments which potentially subject NZVCC and the Group to credit risk principally consist of Cash and Cash Equivalents and Trade and Other Receivables.

The maximum exposures to credit risk at balance date were:

	Group 2018	Group 2017	NZVCC 2018	NZVCC 2017
	\$	\$	\$	\$
Cash on Hand	613	604	412	505
Bank Balances	799,967	504,765	679,211	428,688
Receivables - exchange transactions	62,236	225,921	54,698	221,585
Recoverables - non-exchange transactions	0	3,000	0	3,000
Investments	1,615,910	1,530,567	1,615,910	1,530,567
Bank Deposits	3,023,255	3,013,797	2,860,751	2,856,190
BNZ Credit Cards	57,500	48,000	49,500	40,000

The above maximum exposures are net of any recognised provision for losses on these financial instruments. No collateral is held on the above amounts.

Counterparty risk is minimized by spreading investments over registered New Zealand banks.

### Concentrations of Credit Risk

The NZVCC and the Group is not exposed to any concentration of credit risk.

### Interest Rate Risk

The NZVCC and the Group is primarily a short term investor in on-call funds and term deposits not exceeding one year. The interest rate risk exposure on deposits pertains to fluctuations in market rates of interest.

The NZVCC and the Group seeks to manage movements in investment interest rates by maintaining a balanced portfolio.

## Foreign Exchange Risk

Transactions in foreign currencies are recorded at the New Zealand rate of exchange ruling at the date of transaction. At balance date foreign monetary assets and liabilities are translated at appropriate closing exchange rates, and gains or losses due to currency fluctuations on these items are included in the Financial Statements.

## 21 Operating leases

The NZVCC entered into a non-cancellable lease for Level 9, 142 Lambton Quay from Zircon Properties Ltd with effect from 1 August 2009 the lease has been renewed for a further 6 year term from 1 August 2018. The NZVCC entered into a photocopier lease with Konica Minolta in July 2016. The total lease commitments are as follows:
